## Special To The Missourian.

AUSTIN, Tex., Nov. 2.—Twenty-one Longhorns and the two Texas coaches, Gene Van Gent and "Liz" Clay, left Austin at noon today for Boonville for a day's stay, before going to Columbia for their battle with the Missouri Tigers. Saturday morning they will go to Columbia.

Three regulars of the Longhorn team were left behind, two on account of injuries and the third because of the necessity of cutting down the squad. These men were Beall, a back, Penn, a tackle, and Leachman, a back. The first two played in the game with the Sooners in Dallas two weeks ago. Of the men composing the line, only two other than the ends are in perfect

pital from injuries received Tuesday, will be able to see Saturday's game with the Texas Longhorns. However, he will be ordered back to the hospital after the game. His condition is much improved.

Tigers, Under Monllaw,  
Beat Longhorns in 1907.

When the referee's whistle blows Saturday afternoon, it will be the first time that Missouri and Texas have met on the gridiron since November 2, 1907. That game a 5 to 4 victory for the Tigers; exciting, and many brilliant plays by both teams brought the rooters to their feet continually. The Missouri team was coached by Doctor Monllaw, and Dr.

## QUESTION ELIGIBILITY OF THESE TEXANS

Carlton, 220 Pounds.

Dittmar

condition. Carlton and Johnson, the tackles, are crippled as a result of the Baylor game last Saturday. No guard, with the exception of "Fat" Conly, is in first-class condition. Captain Dittmar, center is slightly injured, but the Texans are counting on his whipping his opponent, even though it be Captain Lansing or Hamilton, for the Longhorn pivot man has never been outplayed since his freshman year. Not even the Notre Dame center was able to cope with him.

The Texas backfield which will enter the game Saturday will be composed of punters, passers, and runners and line smashers. Just how far they will get no one knows, but from the lesson learned in the Baylor game the Longhorns may be expected to upset all "dope."

H. R. Clay, a 1915 Missouri end, now a student in the School of Law of the University of Texas, will represent the Daily Texan at the game, covering it play by play for the score board in the university gymnasium.

Trainer Billy Disch, coach of the Texas baseball team, is with the team and will doubtless talk with Missouri authorities concerning a baseball series between the two schools in the spring. "Maxie" Hart, the Texas left end, is captain of the baseball team. Balite, one of the right ends, is pilot of the Longhorn basketball shooters, but owing to the poor support of basketball here it is hardly probable that Missouri and Texas can meet in that sport.

The Texas line-up for the game will be: Hart, left end; Carlton, left tackle; Conly, left guard; Dittmar, center; Harwell, right guard; Johnson, right tackle; Dolan, right end; Trabue, quarter; Hedick, fullback; Lang, right half; McMurray, left half.

University High Loses  
to Moberly in Last Quarter.

The University High School football team was defeated by the Moberly High School team yesterday at Moberly by the score of 6 to 0. The score stood 0 to 0 until the last few minutes of the fourth quarter, when the Moberly team, after the recovery of a blocked place kick, pushed the ball over the goal by a series of end runs. They failed to kick goal.

Powell, substitute right halfback for University High, who was put in to the game the last quarter, suffered a broken arm just above the elbow.

The University High line-up was: Durall, fb; Stoner, rb; Nichols, lb; Henry, qb; Duncan, le; Whitley, re; Higgins, lt; Parsons, rt; Henshaw, rg; Canter, lg; Reid, c; Powell and Fox, substitutes.

Their next game will be with Mexico Military Academy, Monday, at Mexico.

"Bill" Muir, the Tiger right tackle, who is in the Parker Memorial Hos-

Isadore Anderson of Kansas City, a former Tiger star, acted as his assistant. Texas had a well coached eleven, with one individual star, Tex Ramsdell, afterward chosen on the All-American team while playing at Pennsylvania. Texas scored 4 points in the first fifteen minutes of play with a field goal from the 34-yard line. The Longhorns tried three other kicks. Missouri blocked two, and the third was missed by a close margin. The Missouri score was made late in the second half. Five times the Tigers were within fifteen yards of the goal line, only to loose the ball on downs. With only three minutes to play the Tigers began a march down the field from their own 40-yard line. They rushed the ball to the Texas 10-yard line. On the last down, with ten yards to gain, Doctor Monllaw sent in a substitute named Colopius, who carried the ball over for the much needed 5 points and a Missouri victory. The goal was missed. A fumble by a Tiger gave Texas a chance for a field goal. The Texas kicker missed by inches, as the whistle blew announcing the end of one of the greatest games ever seen on Rollins Field. "Curly" Ristine, "Tarkio" Crane, Deatherage, Alexander, and "Tubby" Graves were the Tigers who played wonderful football for Missouri in this game.

Engineers and Lawyers  
To Meet on Gridiron.

The engineers have organized a football team and challenged the lawyers for a game to decide the championship of the West Campus. If the lawyers accept the challenge the game will be worth going miles to see, for the friendly (?) rivalry between the two schools is well known. Marquis of Queensberry rules will be used.

Sooner Beau Brummels  
Are Tossed in Blanket.

Stories of how University of Oklahoma students who take girls to football games are forcibly taken from the bleachers at Boyd Field at Norman and tossed in a blanket before the crowds are being told by Missouri students who saw the Tiger-Sooner battle last Saturday.

The rooters' section at Norman is on the east side of the gridiron, the reserved seat section being on the west. The rooters congregated on the field early in the afternoon and freshmen afford "horse play" until some gallant escorting the lady of his choice appears at the gates. Soon the young lady has escorts beyond her dreams for the entire rooters' organization accompanies the couple to their seats. The girl is left alone with a bag of peanuts for conversation and the loyal Sooner student who has refused to join the rooters is taken down before the entire crowd

and placed on a great blanket. Willing hands take hold and soon the beau brummel is bouncing twenty or thirty feet in the air, to his own extreme discomfort and the embarrassment of the lady of his choice. After the ordeal he joins in the yells. After the game he continues his "date."

The blanket tossing treatment was accorded a half dozen "should be" Sooner rooters at Norman Saturday. Such a thing as a freshman having a "date" at a football game has never been known at Oklahoma, according to students. Their sole worth at a football game is their yelling proclivities.

The adoption of Oklahoma methods at Rollins Field has been suggested.

NO THUNDERSTORMS IN OCTOBER  
Is First Time Since 1908, According  
to Weather Report.

The monthly summary of weather conditions for the month of October just issued by George Reeder, in charge of the weather bureau here shows that it is the first time since 1908 that a thunderstorm has not been recorded in the month of October. There were 217.3 hours of sunshine for the month, which is 11 per cent less than a year ago, and 63 per cent of the total hours. There were fourteen clear days, six cloudy and eleven partly cloudy. The average daily temperature for the month of October was 58 degrees which is 3.2 per cent above normal. The weather was cooler than the same month last year. The total precipitation was 1.55 inches, which is .87 of an inch below normal, but greater than last year for the same month. The highest temperature was 89 degrees, which is higher than any year since 1909 when the temperature was 90 degrees.

## N. McD. GORDON, '14, WILL WED

Former Columbian, Agricultural Editor, to Marry Chicago Girl.

Announcement has been made of the engagement of Miss Louise N. Powner of Chicago and N. McDowell Gordon B.S. in Agr. '14, now of Chicago, formerly of Columbia. Mr. Gordon is the son of Mrs. Julia L. Gordon of this city. Two years after he was graduated from the University he was connected with the Redpath Horner Lyceum Company. For the last year and a half Mr. Gordon has been associate editor of the Swine World, published in Chicago. He has recently been elected editor of the same paper. Formal announcement of the engagement was made at a dinner given for Miss Powner at the South Shore Country Club.

## MAYES TALKS TO FARM CLUBS

State Board Unable to Supply Speakers for All Meetings.

Jewell Mayes, secretary of the State Board of Agriculture, has returned from Ray County where he addressed three farm clubs. Ray County has twelve farm clubs, all of which were organized during the last three months, says Mr. Mayes. The demand for club meetings is at this time far beyond the ability of the State Board to supply field workers.

Mr. Mayes says that within the last three years the interest in agricultural organizations has never approached the activity now evidenced in nearly every section of the state. Farm clubs are, being organized in great numbers. Co-operation and social features are the two points being given most attention.

## Animal Husbandry Club Elects.

The first regular meeting of the Animal Husbandry Club was held Wednesday night. Prof. E. H. Hughes gave a short address. Officers were elected as follows: Herdsman, C. W. Sheppard; assistant herdsman, J. B. Alford; recorder of pedigrees, Ira Drymon; commission man, A. J. Renner; trainer, Prof. E. A. Trowbridge.

## Preparing Good Roads Bulletin.

Another bulletin in the extension series on good roads is being prepared for distribution. Dean E. J. McCaustland is the author of the bulletin, "Better Highways." Volume 17, number 25. A feature is a long quotation from President Wilson which furnished the key to the pamphlet.

## Will Award \$500 in Prizes.

R. H. Emberson, G. W. Reavis and Miss Addie D. Root, supervisors of Boys' and Girls' Clubs, left Wednesday for Caldwell County, where they will conduct and judge the contest of Boys' and Girls' Clubs at the Caldwell County Round-Up. Prizes will total \$500.

## Doctor Kerner To Speak.

Dr. R. J. Kerner will talk on "The Future of the Jews in Russia" before the Menorah Society at 7:30 o'clock Saturday night in Room 220, Academic Hall.

## Former Student Runs For Office.

Frank K. Ashby, a junior in the School of Law last year, is the Democratic candidate for prosecuting attorney in Mississippi County.

For Homecoming Day use Columbia Floral Company decorations. Phone 920.

## Stephens College Notes

Miss Sarah Maxwell left Thursday morning for her home at Topeka, where she will spend the week-end.

Misses Ruth Callison, Doris Darach, Velva Thompson, Zella McCristy, Catherine Curry, and Grace Gambill were guests at dinner Thursday evening at the Sigma Nu House.

Miss Alene Danbury and brother, William, of King City, Mo., are visiting their sister, Elizabeth.

Miss Lena Plummer left this morning for a short visit at her home in Hale, Mo.

Misses Maarine Heiser and Marjorie Carpenter were the guests of Miss Ardenia Chapman at dinner Tuesday evening.

The weekly Y. W. C. A. meeting was held Thursday evening in the college library with Miss Brazilia Ginsburg as leader. The subject was "Feed My Sheep."

The coming election is arousing a great deal of interest in the college this week. The Democratic students held their rally last Wednesday evening, and the Republican students will have a similar rally this evening. A convention will be held Monday night in which both parties will be represented, and Tuesday will be

## Can We Steer the Longhorns?

It is uncertain, but we do know for a certainty that you can direct and guide your money affairs over the goal line of security and success by getting through the line of carelessness with the aid of the EXCHANGE NATIONAL BANK, the best coach in the valley.

Money in this bank gives you that "old third quarter punch" and makes all ends meet.

## Columbia's Largest Cheese Order

Another Hetzler Service to Columbia People.

News Item: The Hetzler Market of this city recently received a shipment of 3,000 pounds of cheese. The shipment was composed of seventeen

different varieties. It was the largest single shipment of this product ever received in this city. This shipment which contains enough for a liberal slice for every person in Columbia is stored away in the scientifically constructed cold rooms at his Hetzler Market and will be served on Columbia's tables during the coming winter.
